ACT 1

EXT. THE DARCY'S - DAY

This is the story about a teenage boy named Lorcan Darcy. A high-school outcast who left his own group, The Rebels after they were arguing to the politics of larger clubs and infighting over its budget and club events.

Lorcan, Bill, Max and Dawn are heading out to Lisa's house, Bill's ex-wife and Lorcan, Max and Dawn's birth mother. Bill is holding out an engagement ring to propose to Audra, his girlfriend and the mother of Lorcan's half-siblings, Jenny, Molly and Toby.

BILL DARCY

Alright, you three, let's do it.
Tonight's the big night.

MAX DARCY

Why're we going anyway?

BILL DARCY

It will be a perfect time to
reconnect with your mother and
prepare to propose to Audra.
Where's Lorcan?

DAWN DARCY

He's in his room.

Lorcan draws his sketchbook at a desk, headphones on, singing along to a song he's too young for ("High Hopes"), but he doesn't quite know the words yet.

A PHOTO of a YOUNGER LORCAN with his PARENTS and MAX when he was a baby visible in the background-

BILL DARCY (O.S.)

--Miles! Miles! MILES!

--Lorcan WHIPS OFF his headphones--

LORCAN DARCY

What?!

BILL DARCY (O.S.)

We're going to your mother's! Are
you ready?

LORCAN DARCY

Yeah?!

BILL DARCY (O.S.)
 C'mon, you a grown man now! Let
 show David Senior whose boss. Let's
 go!

Lorcan throwing on his black shirt with a red skull and
 leather jacket. Lorcan ran downstairs.

BILL DARCY (CONT'D)
 Okay, come on. We're heading out.
 Let's go.

Dawn start riding her bicycle on the way to their mother's.

LORCAN DARCY
 Uh, Kyle's dad said that he will
 give me his old car. I got \$2500
 saved from the summer, I thought
 maybe...

BILL DARCY
 Sure. I've make a lot of good
 fortune on the movie I made. You
 worked so hard.

LORCAN DARCY
 You spent the first grand on the
 engagement ring.

BILL DARCY
 And the second one will be your
 car.

MAX DARCY
 I can't believe Audra's at mom's.

BILL DARCY
 I know. DJ wanted to help you get
 Toby while Marissa is helping Dawn
 hiding from Molly.

MAX DARCY
 Oh right.

DAWN DARCY
 Marissa's helping me?

MAX DARCY
 Yeah.

BILL DARCY
 So, Lorcan, there's, uh, been a lot
 of late nights with Lucy, huh?

LORCAN DARCY
Yeah, I guess.

BILL DARCY
How's that going?

LORCAN DARCY
Fine. We're just having fun. But the only thing is, we've been having so much fun, that we haven't really had any time to, you know, talk.

BILL DARCY
And the problem here is what?

LORCAN DARCY
We had this huge fight last Tuesday and I don't know what to do. I think I messed up.

BILL DARCY
Well, if it doesn't work it out, maybe you can just break up with her.

LORCAN DARCY
Break up? I'll do it on Monday.

BILL DARCY
Attaboy.

CUT TO:

INT./EXT. THE MASONS' - DAY

Bill, Lorcan, Max and Dawn arrived to the Masons' for dinner, Bill knocked the door and Lisa answers.

LISA DARCY

DAVID MASON
Hello! Come in.

DAVID MASON JUNIOR
Max! Come on! Toby's right there!

Max and DJ ran after Toby. Marissa help Dawn hide from Molly's snuggles and kisses.

DAVID MASON
You boys wanna watch the game?

LORCAN DARCY

Alright.

Lorcan, Bill and David sit down and cheering loudly.

DAVID MASON

Amazing, isn't it?

LORCAN DARCY

Yeah...

DAVID MASON

What's wrong with him?

BILL DARCY

He and his girlfriend have an huge argument. He's going to break up with her on Monday.

DAVID MASON

Really?

BILL DARCY

That's right.

LORCAN DARCY

I have to do it.

DAVID MASON

Lorcan, have you heard that the war in Afghanistan is still going on?

LORCAN DARCY

Yeah. Why?

DAVID MASON

As your step-father, I demand you enlist.

LORCAN DARCY

Enlist?! I'm only sixteen, David, I have to finish school! I can't go to Afghanistan, I have huge book report coming up at the end of the month. You have no idea how bad it is over there.

DAVID MASON

I don't? Oh, I know war, my friend. I joined the army when I was your age and I've turned out okay.

BILL DARCY

Come on, David. Can't you give him some time? He's right about the book report.

DAVID MASON

No. I've stand corrected. Lorcan, think of next week, your final week of school. You are going to Afghanistan and doing your duty, like my friends did. And that's final.

David stands up and walked to the kitchen. Lorcan was afraid of joining the army.

CUT TO:

EXT. RIVERDALE HIGH - DAY

On Monday, Lorcan walked to school and sees Lucy looking at him. He's friends with Archie Andrews, Jughead Jones, Betty Cooper, Veronica Lodge and Kevin Keller.

He loved his friends, he always did. Him and his lovely girlfriend, Lucy, always with their friends, and they tell each other everything. Which was precisely why he wasn't talking to them right now; he felt terrible.

He and Lucy were having a nasty fall out one day about the rumor their former friend has posted, Lorcan felt guilty for keeping their fighting from their friends. He ate his lunch alone, scrolling through his social media feeds as he did. He could see his friends at the table not too far away, occasionally glancing at him. Lucy walk up to him

LUCY BAINE

Am I a joke to you? I just wanna know, is that all I am? A big joke?

LORCAN DARCY

Lucy, just give me some space. Please.

Lucy gasped in shocked.

LUCY BAINE

(while walking back to the others)

Why don't you go fuck yourself, Lorcan?! Me, Betty and Ronnie were trying to mess with you.

LORCAN DARCY
I'm sorry you think I'm so
insecure. Trust me, you don't need
to worry anymore. We're done.

Lorcan walking away from Lucy. Lucy was shocked what he just said.

BETTY COOPER
Lucy, did we do something wrong?

Betty asked, feeling her heart race at the thought of him not wanting to be her friend anymore.

JUGHEAD JONES
(suggested)
Maybe he just need some space.

VERONICA LODGE
Wouldn't he talk to us about what
was going on instead?

ARCHIE ANDREWS
Maybe he just didn't see us, calm
down guys.
(glancing towards Lorcan.)
Hey, Lorcan!

Lorcan looked up, eyes widen in fear. He hadn't expected for them to talk to him, and he nervously stood up. He raced into the school, forgetting about his friends and lunch entirely.

CUT TO:

INT. RIVERDALE HIGH - DAY

It had officially been a week since he had spoken to anyone. Friday is officially his last day before joining the army. It was only causing his feelings of loneliness to progress, but he didn't care. His friends were still completely unaware of what was wrong, which was all him could ask for. Lorcan washes his face in the bathroom to make sure he will hide from his friends. He's too afraid of telling them that his step-father forced him to go to Afghanistan and doing his duty.

He looked outside of the hallway and see Betty and Veronica looking for him. He has no choice but to sneak out of the window to avoid them.

LORCAN DARCY
Oh no...

He sees Archie, Jughead and Kevin walking in and hide in the bathroom stall in fear. He tried not to make a sound until they left the bathroom. He sneaks out of the window and run back home.

CUT TO:

EXT. THE DARCY'S - DAY

LORCAN DARCY
I gotta get out of town.

Lorcan continued running from school and sees his house. He sees the army jeep at the front of his house. He's too scared to die. He grabbed his car and get out of Riverdale in fear. When David saw him driving away, he ran outside and yell.

DAVID MASON
LORCAN!!!

Lorcan continues driving in fear.

LORCAN DARCY
(whispering)
Don't look back. Don't look back.

He was relief to escape.

Unfortunately, he was tragically killed in a car accident. His car fell into the woods but the body was not found. His phone was ringing and the voicemail.

LORCAN DARCY (PHONE MESSAGE) (CONT'D)
"Yo, it's Lorcan. I'm outta town
for a while. Hit you when I'm back.
Peace."

The person who was trying to call Lorcan was Lucy, who's heartbroken and sad about their breakup. Betty and Veronica confront her. When the news is on, Archie, Betty, Veronica, Jughead, Kevin and Lucy are shocked that their best friend, Lorcan has died in a terrible car accident. Lucy has never had a chance to apologize for the nasty fight. The police has found Lorcan's body.

The funeral was set at Riverdale High, the next few days later. Lorcan's father Bill was given a speech and swore Lorcan shall be avenge.

FADE TO BLACK.

INT. LORCAN'S HOUSE - MORNING

The door knocking, Lorcan, even though that he's dead, is asleep in his bedroom.

BILL DARCY (O.S.)
Lorcan, you up?

Bill knocks again. He walked into his room. Bill is Lorcan's father.

BILL DARCY (CONT'D) (CONT'D)

Hey, you up? Breakfast's ready, I'm dropping you by at your mother's, the deadline of my cartoon is today, come on.

LORCAN DARCY
Okay. Nervous about the premiere?

BILL DARCY
A Bit. I can't be late, buddy.

Lorcan looks at his stuff and walk downstairs. He walked down into the kitchen and sees someone besides his father.

LORCAN DARCY
Dad?

He sees a tall, Disney-Pixar styled man. He has brown hair, and has eyebrows slanted towards his noticeably reddish nose. Mr. Peterson also has a curly waxed mustache, and green eyes. Mr. Peterson's chin has a swirl on it. He is wearing a yellow shirt with rolled-up sleeves and a collar. The shirt is partially opened, revealing some of Mr. Peterson's chest hair. On top of the shirt is a blue and light blue sleeveless sweater vest with a diamond pattern. He is also wearing black, long rubber gardening gloves. He is wearing red/orange striped pants. There are no buttons, zippers, or laces on said pants. He is also wearing black shoes with white caps and shoelaces.

Lorcan was shocked what he saw. He run upstairs and see if the man's here. He continue to run as the man walk slowly up the stairs. Lorcan hides in the closet in fear. The man tried to find him but he disappeared. Lorcan was relief. Just then, he hears a voice.

VOICE
You'll never escape!

He turns around and sees a Furby-like toy with tall ears, a muzzle, and no arms. She has a small, white tuft of hair and brown fur.

MAMA TATTLETAIL

Mama's coming.

She opened her eyes, revealing glowing red LEDs. Lorcan ran out of the closet and shut the door behind him so she won't attack him. He ran into the living room and see the TV going static. He sees something coming out, a malformed, skeletal figure with his skin covered in black ink resembling tar. His head highly resembles that of the original Bendy, but the top area of his head appears melted while obscuring his eyes. His horns are slightly more curved and pointed in appearance, and they appear to move sideways similar to animalistic ears.

His toothy cheshire grin, with sketch-like shadings, shakes constantly. As seen from the side view of his head, the front and back of his head are fairly flat. His spine appears slightly crooked or curved, referencing the spinal condition scoliosis. His slightly hunched back also sports spiky-looking spines for demonic features. Lorcan was shocked what he sees. He ran away from it. He accidentally kicked a Tattletail which leads him to.

FADE TO:

INT. RIVERDALE HIGH - NIGHT

Lorcan was shocked that he's in school at night. He runs at night and sees a tall, slender humanoid with long arms, pale skin, huge black eyes, and red lips. He has a big smile on his face. He wears a long-sleeved green shirt, blue pants, and light brown shoes.

BALDI

Oh hi! Welcome to my schoolhouse!

LORCAN DARCY

Schoolhouse?! This is a high school? What's happening to me?

BALDI

You're dead. This is your gateway to afterlife.

LORCAN DARCY

No... I'm dead?

BALDI

That's right. Look, I don't have so much time, it's Art and Crafter's birthday today. So, I'm gonna have to chase you a bit until you sees another being. So, just pretend you're scared of me.

LORCAN DARCY

So, am i supposed to get a question wrong?

BALDI

No, you're good. Ready?

LORCAN DARCY

Go ahead, and the way you speaks in the game is creepy.

BALDI

Ah, thanks for reminding me. Now all you need to do is... GET OUT WHILE YOU STILL CAN!

Lorcan runs away from Baldi and chase him until Lorcan sees him disappeared. He continue to walk and sees a shadow of a bear, but not just any bear, It's Freddy Fazbear! He seems completely damaged and more vicious looking. He has two sets of sharp teeth and his fingers end with sharp claws. Three small Freddles with sharp teeth are on Nightmare Freddy's chest. He wears a black top hat with visible wires coming out of it and a black bow tie.

Lorcan's been pushed by a human child who wears a striped pink/purple and blue shirt, blue pants, and brown shoes. They have medium-length straight brown hair, short bangs, and a blank expression. The child looked at him while a skeleton appeared. a short skeleton with a dimpled smile, large eye sockets, and perfectly aligned teeth. He wears an unzipped blue hoodie, a white t-shirt/sweater, black shorts with white stripes, and a pair of sneakers/slippers. The child holds up a knife and prepare for battle.

Lorcan start running as the skeleton start fighting against Freddy. Lorcan continue to run to find the way out of his nightmare ran to a classroom. He sees a girl. She has long coral brown hair that she keeps in a ponytail tied back with a large white bow. She also has bangs and two long strands of hair next to her face. Her eyes are emerald green; Act 3 shows tiny dots in what is supposed to be her colored pupils already surrounding the iris. She turns around to Lorcan and smiles.

MONIKA

Hello, and welcome to Literature Club. I'm sorry for getting angry earlier. We all have a little devil inside of us. Have you ever wonder what it feels like to die? I think... (takes a deep breath) I think it's when a person you love the most, doesn't see you.

(MORE)

MONIKA (CONT'D)

It feels empty, and it grows and grows and grows. I can't live here anymore. This is my final Goodbye to you. Maybe, I'll go to your world. But don't worry, I'll love you forever and ever and ever and ever and ever and ever and ever and ever...

FADE TO:

INT. APARTMENT

Lorcan wakes up in a weird apartment. The living room of the house is a green carpet flooring with another carpet near the entrance. Next to the entrance is a hanging poster of "The Dancing Demon" and a shelf containing the items that could be previously obtainable in Chapter 1. He walks in the kitchen and sees a elderly man looking outside of the window.

ELDERLY MAN

Hello, woken up so soon? I didn't expect you for another hour yet. Now you're just trying to impress me. But I know... I know... .. you have questions. You always do! The only important question is this: Who are we, son? I thought I knew who I was... .. but... the multiverse starved me.

LORCAN DARCY

Multiverse?

ELDERLY MAN

That's right, you've created your own multiverse. Nothing left but lines on a page. In the end, we followed two different roads of our own making. You, a lovely family... .. me.... .. a crooked empire. And my road burned. I let our creations become my life. The truth is, you were always so good at pushing, old friend... .. pushing me to do the right thing. I want to return the favor.

((pointing at the door))

Go through there and you will enter your new world, fill with adventures. My name is Cillian Darcy, what's your name?

Consider me as your conscience.

LORCAN DARCY
So, how am I gonna find my way home?

CILLIAN DARCY
I can help you out a bit.

LORCAN DARCY
You can help?

CILLIAN DARCY
Yes I can. Let me show you something.

EXT. SOUTH PARK AVENUE - DAY

Cillian shows Lorcan South Park episode, Chinpokomon.

LORCAN DARCY
What are we doing here?

CILLIAN DARCY
See for yourself.

The hundreds of children from the Chinpoko Camp march down the street in neat rows, all wearing little beige uniforms with red scarves. A few children carry large chinpoko flags, others carry a huge portrait of Hirohito. (For reference - The Last Emperor has a scene like this toward the end, where the communist teens are marching through the street.) A bunch of parents and townspeople along the sides of the street, watching in awe as the army marches along to Mr. Ose's barks-

MR. OSE
Owa-tta!

KIDS
Bei-ko-ku!

MR. OSE
Owa-tta!

KIDS
Bei-koku!

MR. OSE
Owa-tta!

KIDS
Bei-koku! Nihon ima haji-maru!

The parents look dumbfounded as their kids march by gallantly. Stan's mother spots her son, and runs up next to him, holding a train set in a box. Stan just keeps marching, face forward along with the other kids.

STAN'S MOTHER
Stan? Stan? It's mommy!

MR. OSE
Owa-tta!

KIDS
Bei-ko-ku!

STAN'S MOTHER
Stanley, you need to come home
right now, mommy misses you!

MR. OSE
Owa-tta!

KIDS
Bei-ko-ku!

STAN'S MOTHER
Stanley, I'm talking to you!!!
Stan's mother grabs her son by the
arm, stopping him.

KIDS
HOH?!

Instantly, all the other kids stop and gather around Stan, quickly standing between him and his mother. Stan's mother looks terrified as she gazes into the stern and serious faces of the children, who look ready to pounce on her any second.

STAN'S MOTHER
Stan... Please, come home!

STAN
KORE WA WATASHI NO UCHI DESU!!!

KIDS
SO DESU NE!!!

Mr. Ose steps forward.

MR. OSE
Do not worry everything is okay.

STAN'S MOTHER
NO, IT'S NOT OKAY!

MR. OSE
Oh, but you have such a large
penis!

STAN'S MOTHER
WHAT?!

MR. OSE
YOUR PENIS, WOW!

Hirohito walks up and smacks Ose over the head.

HIROHITO
What he means is that all MEN in
this town have very large penis.

The men all smile again.

STAN'S MOTHER
Can't you see what's happening?!
They're just using that talk to
distract you!! He doesn't REALLY
have a small penis!!!

HIROHITO
(ordering)
Mesinihi!

From the back view, Ose drops his pants. Everyone stares for
a few seconds.

STAN'S MOTHER
Oh...

Ose pulls his pants back up and starts the march again.

MR. OSE
Owa-tta!

KIDS
(Marching again)
Bei-ko-ku!

MR. OSE
Owa-tta!

KIDS
Bei-ko-ku! Stan's mother walks back
to the other parents, all of whom
are wide eyed and open mouthed.

KYLE'S FATHER

My God... Is there nothing we can do?! Suddenly, Stan's mother gets a look.

STAN' MOTHER

Wait a minute... Wait a minute, I think I know the answer!

STAN' MOTHER (CONT'D)

I know how to get our kids to stop liking Chinpoko Mon!

KYLE'S MOTHER

How?!

STAN'S MOTHER

Come on! We don't have much time!!
EXT. WHITE HOUSE - DAY

NARRATOR (V.O.)

And now for a special announcement from the President of The United States.

INT. OVAL OFFICE - DAY

Clinton sits at his desk in the oval office with his hands folded in front of him.

CLINTON

My fellow Americans, I wish to address the concerns many of us have over the growing number of Japanese Military bases forming in the United States. The new Japanese emperor, Hirohito, has made our own children into fighter pilots, who will soon fly to Hawaii and attack Pearl Harbor. I spoke with Mr. Hirohito this morning and he assured me, that I have a very large penis. He said it was mammoth, dinosauric, and, absolutely dwarfed his penis, which he assured me was nearly microscopic in size. My penis, he said, was most likely one of the biggest on the planet.

(Pause)

I applaud Mr. Hirohito in his honesty. Thank you.

EXT. CHINPOKO MON CAMP

Dozens of F-15's are ready to launch their attack on Pearl Harbour. Kids are getting into the planes. All the kids are there, except for Kyle.

MR. OSE

Your plane will fly auto-pilot to Pearl Harbor! When you arrive you will drop many bombs!

KIDS

HAI, SACHOO SAN!

The boys make their way to the planes. But suddenly, all the parents walk up with big smiles holding Chinpoko dolls.

STAN

Nan da Kore?

STAN'S FATHER

Chinpoko ga dai suki yo!

CARTMAN

What?

STAN'S FATHER

We just came to support you! We love Chinpoko Mon too! It's super toy number one!!!

STAN

YOU like it?

MR. GARRISON

You bet! I think Chinpoko Mon is Chinpokorrific! I got Shoe! The boys look bummed. Stan looks at his Chinpoko Mon sadly.

CARTMAN'S MOTHER

Come on, Eric! Let's try to battle your Roo-STOR with my Donkeytron!

CARTMAN

Uh... No, that's okay mom...

Hirohito, standing next to Ose, looks Horrified.

HIROHITO

What are they doing?!

MR. OSE

It's a trick!

STAN'S FATHER
 Hey Stan, look at my new bumper
 sticker!

Stan's dad bends down to his car's bumper. On the bumper is a
 sticker that reads 'My kid is a CHINPOKO KID!!' Stan's dad
 gives a thumbs up and big smile.

STAN'S FATHER (CONT'D)
 Isn't that cool?!

STAN
 No. The parents all hold up their
 Chinpoko Dolls and shout.

STAN (CONT'D)
 (Tossing his Chinpoko
 aside)
 Screw this, dude.

CARTMAN
 Where are you going, Stan?

STAN
 I dunno. Chinpoko Mon just doesn't
 seem that cool anymore. I'm gonna
 go kill some ants or something.

CARTMAN
 Wait for me. I wanna get out of
 these stupid clothes.

KIDS
 Me too! Me too! etc. The parents
 smile happily as all the kids
 abandon their planes and walk away.

TOWNSPEOPLE
 (Cheer)

HIROHITO
 Nooooo!

STAN'S FATHER
 Well, you were right Sharon. The
 best way to make our kids not like
 something is to like it ourselves.

STAN'S MOTHER
 That's right! Anything we like is
 instantly not cool! We know how to
 take 'em out, Mr. Garrison. Spread
 the word.

(MORE)

STAN'S MOTHER (CONT'D)

Get on the wire to every parent
around the country, and tell 'em
how to bring those sons a bitches
down!

Everyone cheers. Garrison starts sending Morse code at a desk.

STAN

Hey, mom, I'm sorry I went a little
nutty with that Chinpoko Mon stuff.
Can I have five dollars to buy a
football?

STAN'S MOTHER

You bet, Stanley!

But suddenly, there is a roar of an engine and Kyle rolls in on an F-15.

KYLE

OWATTA, BEIKOKU!!!

KYLE'S MOTHER

Kyle, it's over.

KYLE

But I'M gonna be ROYAL CROWN
CHINPOKO MASTER!!!

STAN

Dude, Chinpoko Mon isn't cool
anymore.

KYLE

WHAT?!

CARTMAN

Yeah, dude, that's WAY over.

KYLE

You're just jealous that I'm
CHINPOKO MASTER!!!

STAN

No, Kyle. You see, we learned
something today... This whole
Chinpoko Mon thing happened because
we all followed the group. We only
liked Chinpoko Mon because everyone
else did, and look at the damage it
caused.

KYLE

So now I should STOP liking
Chinpoko Mon because YOU all don't?

STAN

Yeah.

KYLE

But If I stop now, I'd just be
going with the group again. So to
be an individual, I have to bomb
Pearl Harbor, see ya.

The plane starts taking off again.

STAN

Oh... Wait!... Actually, I was
wrong. You see, Kyle, I learned
something... just now... It IS good
to go with the group. A group
mentality is healthy sometimes.

Kyle thinks for a while.

KYLE

Oh screw it, I'm too confused.

Kyle hops down out of the plane.

STAN'S FATHER

Oh, I'm sure glad this is all over!

Suddenly, Cartman notices that a couple of rats are crawling
around on Kenny's body (which is still upright)

CARTMAN

AY! GET OFF OF HIM! HE'S NOT DEAD
YET!

The rats run away.

EXT. BUSSTOP - DAY

The four boys are standing at the busstop. A couple rats are
crawling on Kenny's body.

CARTMAN

NO! Get off of him you stupid rats!
He's not dead yet! The rats run
off.

STAN

Hey, you guys wanna go to the toy store after school and get some Spaceman Greg cards?

KYLE

Naw, I think I'm through with fads for a while.

CARTMAN

Me too. I'm choosing my own toys from now on cause...

Cartman stops because Kenny is shivering and convulsing next to him. Finally, Kenny convulses and drops to the ground sideways.

STAN

What the-

Kenny shivers for a few seconds, then suddenly, his jacket bursts open and out crawl dozens of rats. They've eaten Kenny from the inside out.

CARTMAN

Oh HO!!! Gross!!!

STAN AND KYLE

(Laugh)

Cillian and Lorcan laughs.

LORCAN DARCY

I love this episode.

CILLIAN DARCY

You know this episode is a parody of the popular Pokémon media franchise.

LORCAN DARCY

Pokémon?! That's my favorite!

CILLIAN DARCY

Ah, answer this riddle, which Pokémon is the mascot of the entire franchise?

LORCAN DARCY

That's the easy one, It's Pikachu.

CILLIAN DARCY

Amazing. Pikachu is correct! What's your favorite Pokémon movie?

LORCAN DARCY
the 20th movie, Pokémon the Movie:
I Choose You!

CILLIAN DARCY
And who's the villain in "I Choose
You!" ?

LORCAN DARCY
Cross! He is a rival of Ash Ketchum
and the original trainer of Ash's
Charmander. Why?

CILLIAN DARCY
I show you this.

CUT TO:

EXT. MOUNT TENSEI

Ash and co. then make it to Mount Tensei, where Ash planned to use the Rainbow Wing to summon and battle Ho-Oh. However, Cross appears and demands that Ash turn the feather to him, stating that only the strongest should battle Ho-Oh. Ash refuses and they battle again with the same Pokémon as before, but this time, Charmeleon evolves into Charizard and defeats Incineroar, causing Cross to become despondent.

LORCAN DARCY
Yes! Go on Ash.

CILLIAN DARCY
Impressed, huh? Wait till we go to
Arcadia Bay.

LORCAN DARCY
Arcadia Bay? From Life is Strange?

CILLIAN DARCY
Yep. Well, before Max Caulfield
shows up.

LORCAN DARCY
Ah cool. Can we see James' Office
at Rachel Amber's house?

CILLIAN DARCY
Of course! Which one?

LORCAN DARCY
The one Eliot Hampden enters the
house to search for Chloe.

CILLIAN DARCY
Perfect! I love backtalks, come
with me.

Cillian transport themselves to...

CUT TO:

INT. JAMES' OFFICE - DAY

...James' Office in Arcadia Bay, in the third and final episode of Life is Strange: Before the Storm. A few seconds before Eliot appear. Lorcan was amazed with the power.

ELIOT HAMPDEN
(from outside the office)
Chloe?

CHLOE PRICE
Eliot?

Eliot enters the room.

ELIOT HAMPDEN
Hey.

CHLOE PRICE
Eliot, what are you doing here?

ELIOT HAMPDEN
What are YOU doing here? This is
Rachel's house, right?

Chloe tries to move forward but Eliot spreads his arms out to block her.

CHLOE PRICE
(thinking)
Did he really just follow me here?
(to Eliot)
I can't really talk about it.
Rachel...Rachel needs my help.

ELIOT HAMPDEN
I'm sure she does. I'm more
concerned about you.

CHLOE PRICE
I'm fine. You're the one acting
crazy. You shouldn't be here.

Eliot notices the money on the desk.

ELIOT HAMPDEN
Chloe, what is—?

Chloe lunges toward the money but Eliot grabs it before she can.

CHLOE PRICE
Eliot, put that down. You have no idea what you're dealing with.

ELIOT HAMPDEN
And you do? Chloe, what have you gotten yourself into?

CHLOE PRICE
You...you wouldn't understand.

Chloe tries to grab the money but Eliot moves his hand away. He puts the money back on the desk.

ELIOT HAMPDEN
Give me a chance! What the hell are you doing?

Cillian snapped his fingers and the scene is paused as he turns to Lorcan.

CILLIAN DARCY
Which one do you want Chloe to say? There's "Rachel's mother." "It is serious." or "None of your business." Which is it?

LORCAN DARCY
Well, I guess it will be the first one.

CILLIAN DARCY
Okay. And is it okay I can add the attacked Skeevey Guys, her being suspended and some random dialogues?

LORCAN DARCY
Go ahead.

Cillian snapped as Lorcan made his first choice.

CHLOE PRICE
I can't talk much about it. It has to do with Rachel's mother. Her real mother.

ELIOT HAMPDEN

And that explains you breaking into
the DA's home and having...this?
(*gestures to money*)

CHLOE PRICE

Believe it or not, yes.

ELIOT HAMPDEN

I'm so sick of you not seeing who
Rachel really is. When will you
realize what she's doing to you?

CHLOE PRICE

Eliot, just take a step back...

ELIOT HAMPDEN

No! You need to listen to me. What
has your relationship with her
gotten you?

CHLOE PRICE

You—you don't know what you're
talking about.

ELIOT HAMPDEN

First night you hang out, what
happens? You end up with a black
eye.

CHLOE PRICE

You don't know what you're talking
about. Rachel saved my ass.

ELIOT HAMPDEN

I'm sure that's how it seemed to
you.

CHLOE PRICE

Stop... stop suggesting that she's
somehow bad for...

ELIOT HAMPDEN

The next day she convinces you to
skip school. Magically, she barely
gets in trouble. And you get
suspended.

CHLOE PRICE

Rachel was there for me. She did
everything she could to protect me.

ELIOT HAMPDEN

I guess it wasn't enough, huh?

CHLOE PRICE

You don't understand. You weren't there!

ELIOT HAMPDEN

Was she protecting you when she made you take part in a play you didn't wanna be in? She let you make a fool outta yourself.

CHLOE PRICE

Seriously, man. You need to shut the fuck up before...

ELIOT HAMPDEN

I've been quiet long enough! Look, Rachel is an amazing actress. And I don't mean onstage. She's fake. You're real. And I hate to see her manipulate you like this.

CHLOE PRICE

Eliot, I promise, no one is manipulating me.

ELIOT HAMPDEN

No? Just look where you are now. A high school dropout, hanging out with criminals, and breaking into houses. It's crazy! It just as easily could've been you in that hospital today. If that ever happened...

CHLOE PRICE

Dude, you know you sound a little stalker-ish right now?

ELIOT HAMPDEN

(slams fist on desk)

Stalking is defined as repeated unwanted interactions. How long have my interactions been unwanted?

CHLOE PRICE

Eliot...

ELIOT HAMPDEN

I'm the one who cares about you, Chloe. Me! Not Rachel! It's time you saw the truth.

CHLOE PRICE

What does that mean?

ELIOT HAMPDEN

It means you're going to stop thinking about Rachel and pay attention to me now! For once!

CHLOE PRICE

Eliot, please. I know you're upset, but...

Eliot picks up a snowglobe and throws it to the floor, smashing it.

ELIOT HAMPDEN

I'm not upset! I'm trying to help you.

CHLOE PRICE

(thinking)

Eliot's gone full-blown crazy. I need to get the police to come without tipping him off.

ELIOT HAMPDEN

Who was there for you? When Max left? When your dad died? No one else gave a shit about you except for me! We have a lot to talk about, and I don't care how long it takes. We're not leaving until you see that I'm right.

LORCAN DARCY

What's he doing, Cillian?

CILLIAN DARCY

Backtalk challenge.

As Eliot paces the room, he turns his back to Chloe. She dials 911 on James' phone and places it on the desk, leaning on the edge in front of it to obscure Eliot's view of the phone. The keypad next to the door beeps and becomes armed. Eliot turns back around.

WOMAN

(on phone)

911, what's your emergency?

CHLOE PRICE

Alright, Eliot. You wanna talk so bad? Let's talk.

ELIOT HAMPDEN

What's really going on here? You can tell me.

CILLIAN DARCY

Let's watch.

CHLOE PRICE

Here's what's going on: we're at the DA's house, and we should probably leave before he comes back.

ELIOT HAMPDEN

Don't worry. With Rachel in the hospital, James isn't coming anytime soon. I'm talking about your situation. Rachel is dangerous. You need to realize that.

CHLOE PRICE

You're right, Eliot. I didn't want to admit it before, but it's true: my life is in danger.

ELIOT HAMPDEN

Thank you, Chloe. All I want is to help you. I'm glad you can finally see that.

CHLOE PRICE

You're right. I do need help. I need help, immediately.

ELIOT HAMPDEN

Hey, it's okay. I'm not going anywhere.

CHLOE PRICE

I'm attempting to move on. But it feels like I'm being blocked. Against my will.

ELIOT HAMPDEN

It takes a lotta guts to tell me all this. And...I want you to know that I will always be there for you. No matter what.

Eliot hugs Chloe. Police sirens start wailing and Eliot and Chloe look out the window.

CHLOE PRICE

It's the police!

ELIOT HAMPDEN

Okay, don't panic. Uh, I'm sure they'll just wanna ask us why we're here.

CHLOE PRICE

What do we do?

ELIOT HAMPDEN

I'll talk to them. Um...there's nothing to be concerned about.

CHLOE PRICE

Thank you, Eliot. You're a great friend.

Eliot tries to open the door but sets off the alarm. Chloe grabs the money and runs away.

CILLIAN DARCY

What do you think of it?

LORCAN DARCY

It's awesome. What happened to Eliot?

CILLIAN DARCY

Well, He got expelled from school.

CUT TO:

EXT. THE BRIDGE

LORCAN DARCY

Wait, before you disappear. What's this?

(holds out his deck of cards.)

Do you know what are they?

CILLIAN DARCY

Duel Monsters. You need to duel to survive to get you back home. You can explore this world as you can want. Good luck.

LORCAN DARCY

Wait, how am I transported to another world?

CILLIAN DARCY

Easy, snap your finger and open the portal to another dimension.

Cillian vanished into thin air as Lorcan looks at the bridge. He started walking until he sees someone looking at the ocean.

Lorcan holds out his license as the person takes a look at it.

A WOMAN

Lorcan Darcy. Hmm, A brilliant cartoonist arrived as a hero.

Lorcan started walking across the bridge with the Person.

A WOMAN (CONT'D)

You know, It's nice and finally meet you. Some of us cut and run. Some of us stand in post. Some of us take care of our brother.

LORCAN DARCY

My brother? What are you saying?

A WOMAN

All men is brother, all women is sister.

LORCAN DARCY

Oh right, sorry. Wait... are we doing the Arthur ending scene of We Happy Few?

A WOMAN

Ah, yes. It's weird so.

LORCAN DARCY

Yeah.

A WOMAN

(scratching her mask)

This mask is so itchy.

The person takes off his mask, revealing to be Betty Cooper.

BETTY COOPER

Times like these, are try men souls, Lorcan, they're try men souls.

LORCAN DARCY

B...Betty...

INTERCUT WITH:

INT. RIVERDALE HIGH - DAY

Few months before he died, Lorcan really doesn't want to go to school. Actually, he'd rather be doing anything else. Getting teeth pulled, having a hangover, cleaning the toilets - there are plenty of things he'd rather be doing, but he also know his father is strict about school so he's quick to get him out of bed.

Lorcan enter the halls of Riverdale High for the first time. Bland blue walls, bright lights, and shiny linoleum - yep, the halls here are just as exciting as the rest of the town.

LORCAN DARCY

There isn't even a Starbucks here.

So, when a blonde girl seemingly comes out of nowhere to stand in front of him with a wide grin, he kind of want to scream.

BETTY COOPER

Hi! I'm Betty Cooper!

LORCAN DARCY

Lorcan, Lorcan Darcy.

BETTY COOPER

Wait- didn't I see you at Pop's last night?

LORCAN DARCY

Oh god, I'm sorry if you saw that. I'm having a bad week. Month. Okay, fine, Year.

BETTY COOPER

Yeah. I, uh, feel you there. I'm your official tour guide to Riverdale High.

LORCAN DARCY

Please tell me this school has coffee somewhere. Anywhere. I'll sneak into the teacher's lounge. Anything. Please.

Betty giggles a bit.

BETTY COOPER

Yeah. C'mon.

Betty Cooper is a genuinely nice person and it's actually really sweet. After your coffee, he's much more social and approachable as the duo walk the bland halls of Riverdale High.

She spews off historical facts about the town and he's mostly listening because he needs a friend and she just seems like the most reasonable option.

It's all going really well so he walks with her to lunch. She seems excited to introduce him to her friends, and he can't help but share her enthusiasm. Seriously, is this girl on anything or is she just always this sweet?

The table is a little further from most of the others, and has two guys already sitting at it and talking animatedly about something. One guy has bright red hair and has a boyish smile as he looks at his acoustic guitar. The other has a really weird beanie that is honestly kind of cool. His hair is black and wavy beneath it, and when he and Betty join them the pair look up with smiles.

BETTY COOPER (CONT'D)

This is Lorcan Darcy. I thought she could join us for lunch?

ARCHIE ANDREWS

Sure, I'm Archie. That's Jughead. Let us know if anyone bothers you, yeah?

LORCAN DARCY

Yeah, cool; thank you.

JUGHEAD JONES

Didn't you and Veronica argue at Pop's last night?

LORCAN DARCY

Uh- yeah. You guys know her?

JUGHEAD JONES

We were at the table, too, but you guys seemed pretty absorbed in your conversation.

LORCAN DARCY

Yeah. Sorry.

BETTY COOPER

It's fine!

Betty assures, giving Jughead a 'down, boy' look.

LORCAN DARCY

She... told you guys about me,
didn't she?

ARCHIE ANDREWS

(while putting down his
guitar to lean against the
table.)

Not really. Just that you guys knew
each other in New York.

LORCAN DARCY

Yeah. You could say that.

VERONICA LODGE (O.S.)

What the hell is he doing here?

Lorcan look up at Veronica, who is looking at literally
everyone except for him.

BETTY COOPER

V, he doesn't know anyone here. He
seems nice-

VERONICA LODGE

So does communism until it's in
effect.

LORCAN DARCY

Did you just... compare me to
communism?

VERONICA LODGE

Yes! Because I thought we were
together on something, and you come
and-

LORCAN DARCY

Seriously, V, I don't want
to argue. I just want to talk.

VERONICA LODGE

Not a fucking chance. I'll go eat
with the Vixens.

She turns on her heels and Lorcan fight another sigh. Kevin
walks up to his group and sits down across from Lorcan.

KEVIN KELLER

That was... intense. Hi, I'm Kevin.

LORCAN DARCY

Lorcan.

KEVIN KELLER

You and Veronica seem to have a bit of a history, huh?

LORCAN DARCY

She was my best friend. We, uh, grew up together - her dad's a sponsor for my Dad's company, Bill Darcy's Production.

ARCHIE ANDREWS

Your Dad is Bill Darcy, the famous cartoonist?

LORCAN DARCY

Yeah. His company transfers here.

The group seems to collectively understand where this is going, so he decide to continue.

LORCAN DARCY (CONT'D)

When we were freshman, we started to date and we were good together until her dad was incarcerated. I found out that the Lodges' were planning on making me join the army. We had a really bad fight and I sort of ruined everything. I thought moving here would let me fix things, but she's clearly unwilling.

BETTY COOPER

Don't say that. She's different, now; she'll forgive you.

LORCAN DARCY

She won't even talk to me.

BETTY COOPER

I can help. We're pretty close, you know.

LORCAN DARCY

You'd do that for me?

BETTY COOPER

Of course, Lorcan. She's my friend.

BACK TO:

EXT. THE BRIDGE

BETTY COOPER
Lorcan, are you alright?

LORCAN DARCY
Yeah, I best be on my way.

BETTY COOPER
Okay. This bridge guides you to
Metropolis. While you're there,
you will meet a blue hedgehog. Make
sure, you'll be safe, Lorcan.

Lorcan continues walking to Metropolis.

CUT TO:

EXT. A LARGE METROPOLITAN CITY - DAY

Lorcan arrived to the city as he starts exploring the place
to find the blue hedgehog. He saw him sitting on top of the
building in sadness and climb top of it to have a word.

SONIC THE HEDGEHOG
If you're here to boo me, go ahead.

LORCAN DARCY
I'm not, I came here from that
bridge where Betty tells me I can
meet you.

SONIC THE HEDGEHOG
Wait, Betty Cooper?

LORCAN DARCY
Yeah. I'm from another world. This
is the world I've designed.

SONIC THE HEDGEHOG
No way! You're Lorcan Darcy!

LORCAN DARCY
That's right. Oh, oh, don't tell
me. Don't tell me! You are Sonic
the Hedgehog! It's an honor to meet
you, I am a huge fan.

SONIC THE HEDGEHOG
Really?

LORCAN DARCY

Yeah. Why do you want me to boo you?

SONIC THE HEDGEHOG

It was all started earlier today.

A flashback before Lorcan arrived, Robotnik's island hideout just off the coast. In his hideout, a newly awoken Robotnik in pajamas goes to sit at his desk with a mug of coffee and a newspaper, whereupon he has a spit take when he reads that Sonic has been deemed the "Man of the Year". Robotnik angrily balls up the paper and throws it at the TV, turning it on, showing the same message and several crowds of people cheering for Sonic. Further enraged, Robotnik tries to turn the TV off, but stumbles over a trash heap, where he then arises while violently swinging and strangling a Sonic doll. He suddenly gets an idea and runs out of the room.

In the city, Sonic is seen running and jumping about, when suddenly Robotnik appears in a Sonic suit and rocket skates, where he then begins terrorizing the civilians; drawing on the faces of people who want his autograph, jumping on cars and destroying sign posts. After causing chaos throughout the town, a television displays an announcement proclaiming Sonic has now been deemed "Worst Man of the Year", showing an image of the disguised Robotnik making an akanbe at the camera. Unaware of the havoc wrought in his name, Sonic runs by a crowd of civilians watching the TV and stops to get their attention when, much to his befuddlement, they start angrily yelling at him as the flashback ends.

LORCAN DARCY

Eggman?

SONIC THE HEDGEHOG

Eggman? I like it. Dr. Eggman. Can I call him that?

LORCAN DARCY

Go ahead. I'm gonna find my way back to my world.

SONIC THE HEDGEHOG

Well, I can help you, if you're interested.

LORCAN DARCY

Sure. How am I gonna find my way home?

SONIC THE HEDGEHOG

Well, I know who. He's from another city. He's a robot.

LORCAN DARCY
You know who?

SONIC THE HEDGEHOG
Yeah, It's Robot Jones.

LORCAN DARCY
Robot Jones? I drew him in my book
when he exterminated the human
race. I guess I can trust him.

SONIC THE HEDGEHOG
There you go.

LORCAN DARCY
Let's go. I know which school he
goes to.

CUT TO:

INT. POLYNEUX MIDDLE SCHOOL - DAY

Lorcan and Sonic arrived to the school through the portal
from the city to find Robot Jones. They discovers that the
school is in ruins after several years (after "*Whatever
Happened to... Robot Jones?*" cancelled.).

SONIC THE HEDGEHOG
What happened here?

LORCAN DARCY
I don't know. I haven't seen this
part of the show in years. One
episode, Robot, Socks, Cubey, and
Mitch all play hookie and Principal
Madmen attempt to catch them and
expel them.

SONIC THE HEDGEHOG
How did you know that?

LORCAN DARCY
I watch the show when I was a
toddler. My dad make cartoons for
everyone to enjoy.

SONIC THE HEDGEHOG
And what about you?

LORCAN DARCY
I was inspired to draw this world
where everyone in this world can
live together.

(MORE)

LORCAN DARCY (CONT'D)

Cartoons, Anime, Video Games and
Comic Book characters all together.

SONIC THE HEDGEHOG

Wow.

LORCAN DARCY

Yeah. Let's check outside.

CUT TO:

EXT. A SMALL CITY IN DELAWARE - DAY

Lorcan and Sonic walked outside of the school and sees the small city in Delaware in a futuristic version of the 1980s in ruins.

LORCAN DARCY

Oh, my god. Oh, my god. He actually
did it.

SONIC THE HEDGEHOG

What happened?

ROBOT JONES (O.S.)

I built an army of robots.

Lorcan and Sonic sees Robot Jones walking by. Robot is a mostly grey robot with the exception of his chassis, which is designed similar to SpongeBob SquarePants. Unlike SpongeBob SquarePants, Robot's head and body are separate but is equally as blocky.

His body or chassis is painted a red stripe to indicate a "shirt" and "pants". He frequently removes this chassis when serviced, but curiously not when recharging. His head consists of what looks like eyes and a mouth. His eyes function as cameras with Night Vision and X-Ray Vision while his mouth provides a variety of functions. There are speakers behind his mouth which enables him to talk. He has microphones near his "ears" which enables him to listen. Also on the side of his head are yellow, removable, antennae that resemble ears. The top of his head consists of a large halogen style light bulb which functions as his brain. He is partially still able to function without this brain and can be reprogrammed with alternate software. His feet resemble boots. His neck, arms, and legs have the capability of stretching.

LORCAN DARCY

You're Robot Jones!

ROBOT JONES
That's right.
(to Lorcan)
I thought you were defeated,
pathetic human.

LORCAN DARCY
Me? I'm not from here. I'm from the
real world. I'm trying to get back.

ROBOT JONES
(realize)
The real world?! Wait, you're him?
The creator of this defying
worthless world?

LORCAN DARCY
Yeah, You were my spirit guide. You
and Sonic were the first ones i
drew for the first time.

SONIC THE HEDGEHOG
Really?

LORCAN DARCY
Yeah. Now, who's the next character
I'll meet?

Robot sees a car.

ROBOT JONES
Get in the trunk. Someone's coming.

Lorcan hops into the trunk of the car. Sonic Robot are
helping him out.

SONIC THE HEDGEHOG
Do you know what you're doing?

ROBOT JONES
Yes. Lorcan's gonna be driven
through Springfield. Archie,
Reggie, Moose, and Jughead make a
brief cameo; they pull up to the
Simpsons' house tossing Homer
Simpson out of Archie's car as
Moose warns Homer, "Duh, stay out
of Riverdale!".

LORCAN DARCY
Cool. Wait? that's the episode of
The Simpsons called Sideshow Bob
Robert.

ROBOT JONES

Exactly.

Just then, they hearing voices coming from the corner.

LORCAN DARCY

Okay, wish us luck Jones and meet
us somewhere you locate us.

ROBOT JONES

I will.

Sonic start running out of Delaware before the boys
appearing.

Lorcan closes the trunk as the boys from the corner.

CUT TO:

INT. THE TRUNK - DAY

Lorcan hears the engine starting as the boys start speaking.
He opens the trunk a bit and sees that he's that he's no
longer in delaware anymore. He's briefly in Springfield.
They pull up to the Simpsons' house and threw Homer Simpson
out of the car.

MOOSE MASON

Duh, stay out of Riverdale!

Lorcan laugh a bit as that scene. He close the trunk and
decided to dose off for a bit.

FADE TO BLACK.

INT. THE GARAGE - AFTERNOON

Lorcan wakes up a bit and sees a sticky note with a page. It
says, *It's good to meet you, buddy. Sorry for taking you out
of the car. A.A.*

LORCAN DARCY

Ah crap, he knows who I am. Well,
since I woken up. I can look around
the town for a bit.

Lorcan exits the garage and looks around town.

CUT TO:

EXT. RIVERDALE - DAY

Lorcan sees the place so different than his world. He was confused until he decided to go to a comic book store.

LORCAN DARCY

Weird. I can't believe that I drew this place.

CUT TO:

INT. HALLEY'S COMICS - DAY

Lorcan looks around and check out some comic books. He sees some comics that he drew in his past and some comics from existence in the real world. A blond-hair girl walked in. She wears a red t-shirt with a pink heart with white highlight and purple pants.

LORCAN DARCY

A Girl in Halley's Comics? What are you doing here?

SABRINA SPELLMAN

If you must know, I'm picking up the latest issues of Sonic and Knuckles for my friend, Salem! He's been collecting them ever since they first came out!

LORCAN DARCY

Aha! I knew it! Shopping for someone else!

SABRINA SPELLMAN

Hey! My girlfriends and I enjoy comics as well! Especially Knuckles! I think he's cute!

(casting a spell)

In fact -- Within the pages of this incredible story in all it's four color glory experience now great writing and art, with characters so bold and full of heart!

Lorcan and the girl are transporting into the comic.

LORCAN DARCY

Is this supposed to happened? What are you anyway - some sort of witch?

SABRINA SPELLMAN

Heey!

CUT TO:

EXT. MOBIUS

Lorcan and the girl arrived to a comic book world.

LORCAN DARCY

Wow. That was awesome! Can we do it again?

SABRINA SPELLMAN

I'll be happy just to get us back.
Look at this place! All dirty and filthy.

LORCAN DARCY

(point at something)
Get a load of those guys! They
filming terminator or what?

They sees Sonic the Hedgehog and Knuckles the Echidna
battling Dr. Robotnik.

DR. ROBOTNIK

Surrender now, Hedgehog or else
your friend Tails will make a great
throw rug in my den!

SABRINA SPELLMAN

Guess they have no Aspaca on this
planet!

KNUCKLES THE ECHIDNA

This is great! Ro-butt-nik on one
side and overlanders on the other!

SONIC THE HEDGEHOG

And only the two of us.

KNUCKLES THE ECHIDNA

Which is par for the course!

SONIC THE HEDGEHOG

You take the geeks over there while
I square with his lardness!
(to Robotnik)

Hey, Robojerk! Not even yo' mama
would kiss that ugly puss of yours!

Knuckles encounters Lorcan and the girl.

KNUCKLES THE ECHIDNA
 Alright sister, what's your gig?

 SABRINA SPELLMAN
 Hold it! I'm not with them!

 KNUCKLES THE ECHIDNA
 Then why do I get the feeling
 you're nothing but trouble?

 SABRINA SPELLMAN
 Hoo boy! Uh, if you'll give me a
 moment, we'll be on our way!
 (casting a spell)
 Guiding light shine so bright, take
 us back along the right track!

 KNUCKLES THE ECHIDNA
 Whoa!

 LORCAN DARCY
 That was cutting it close.

BACK TO:

EXT. HALLEY'S COMICS - DAY

 SABRINA SPELLMAN
 And not a moment too soon! I just
 remembered! I'm supposed to go to
 Veronica's Halloween party with
 Cheryl Blossom!

 LORCAN DARCY
 You mean that flashy redhead
 driving up in the convertible?

 KNUCKLES THE ECHIDNA
 What about us, Lady?

 SONIC THE HEDGEHOG
 We didn't ask to return to this
 nuthouse!

 SABRINA SPELLMAN
 This won't do! I'm supposed to be
 in costume!
 (to Lorcan)
 What are you doing tonight, uh...?

 LORCAN DARCY
 Lorcan, my name's Lorcan. I'm
 passing through this place, but...

SABRINA SPELLMAN
How's about going to a Halloween
party instead?!

LORCAN DARCY
What am I going as... myself?!

Just then the girl uses magic to change from their clothes
into their halloween costumes.

SABRINA SPELLMAN
Ta-da!

LORCAN DARCY
Say! How did you do that?

SABRINA SPELLMAN
Magic! What else?

SONIC THE HEDGEHOG
What about us? We're still a long
way from home!

SABRINA SPELLMAN
Just chill and tag along while I
figure this out.

Just then a convertible stops.

CHERYL BLOSSOM
Sabrina, dear. I thought this was
girls' night out! What's with the
brady brunch?

SABRINA SPELLMAN
(lying)
My cousin's sitter came down with
the flu, so Viola! I got stuck with
her kids.

CHERYL BLOSSOM
Cute costumes!

SABRINA SPELLMAN
They look so real, don't they?

CUT TO:

INT./EXT. THE LODGE RESIDENTS - DAY

The convertible arrives to the manor.

MAN

The party's behind the mansion.
You're just in time for the pig
roast!

SONIC THE HEDGEHOG

Pig Roast!

Lorcan, Sabrina, Sonic, Knuckles and Cheryl walked around to
the party. It's going wild.

CHERYL BLOSSOM

They serve it at all their outdoor
parties! It's so gross! Now, if
you'll excuse me, It's time for
Cheryl Blossom to make a slash!

Lorcan sees the cartoon version of Archie and his friends. He
ends up regret for not talking to them back in his world. But
in this world, he didn't meet them.

BETTY COOPER

Oh, Look, Archie! There's Sabrina!
And look how those kids with her
are decked out!

ARCHIE ANDREWS

You're right, Betty! Those costumes
are too much!

JUGHEAD JONES

I'll tell you what's too much, If
we play "Sugar Sugar" One more
time, I'm gonna hurl, Arch.

VERONICA LODGE

Well she certainly has no taste!
She wore that witch's outfit to my
party last year.

SONIC THE HEDGEHOG

Y'know, these overlanders are
really wacked out.

KNUCKLES THE ECHIDNA

I don't even wanna know what else
they're serving!

WAITER

Would you care for some fried
chick, young squire?

SONIC THE HEDGEHOG
 (gag a bit while covering
 his mouth)
 I think I'll take a pass.

VERONICA LODGE
 I prefer the smoked salmon myself!
 By the way, those are the great
 outfits!

SONIC THE HEDGEHOG
 So we've heard.

Lorcan sees Sonic and Knuckles and run up to them.

LORCAN DARCY
 Hey, guys. I think I hear Sabrina
 calling!

REGGIE MANTLE
 Hey now! What's your hurry? You're
 with Sabrina, did you say?

SABRINA SPELLMAN (V.O.)
 I don't like that look in Reggie's
 eyes. I better do something about
 Sonic and Knuckles before he
 discovers the real deal.

ARCHIE ANDREWS
 C'mon Reg! We better get into our
 costumes while the party's still
 hot!

REGGIE MANTLE
 I'll be right behind!

JUGHEAD JONES
 Hey! Over there, Arch! They're
 bobbing for comics instead of
 Apples!

BETTY COOPER
 What a marvelous idea!

LORCAN DARCY
 Good, they're distracted.

SABRINA SPELLMAN
 While everyone is distracted, Now
 would be the time to call in the
 calvary. First, I have to find a
 phone.

Lorcan and Sabrina walked inside of the manor. Lorcan's amazed of the place until they see the phone.

SABRINA SPELLMAN (CONT'D)
Cool beans! We're in luck! Now to
hope Salem isn't in a snit!

LORCAN DARCY
Go call him. I'll go and get Sonic.

SABRINA SPELLMAN
Okay.

DR. ROBOTNIK (O.S.)
Wait'll they get a load of me!

Lorcan stop and sees Dr. Robotnik appeared.

LORCAN DARCY
Robotnik. What's he doing here?

Lorcan ran outside and ran after him. Sonic sees Robotnik too.

SONIC THE HEDGEHOG
Rad red, You just ain't gonna
believe who's making the scene.

KNUCKLES THE ECHIDNA
Too late!

SONIC THE HEDGEHOG
Jump him!

Sonic and Knuckles jumped on Robotnik, only to reveal it's Jughead in costume.

JUGHEAD JONES
Somebody get these nutcases off of
me!

Lorcan sees Sabrina cast the spell, teleport Sonic and Knuckles back to Morbius and erases everyone's memory of them even being there, except for him.

LORCAN DARCY
Good job, Sabrina.

Lorcan decides to leave. He snaps his fingers and transported to...

CUT TO:

EXT. CUL DE SAC - DAY

a Cul De Sac in Peach Creek. Lorcan sees the place and finds it very familiar.

He sees the Eds running away from something. It's a clown-like animatronic humanoid. She has a clown-like face and she holds a microphone in one hand. She has two orange-brown pigtails, and her torso resembles a white dress with red frills on her shoulders, there is a yellow triangle in the middle of her stomach with round edges, which is most likely a speaker. She also has a red tutu.

Despite being designed after a little girl, she is actually the largest animatronic, standing at 7'2" tall and weighing 585 pounds.

LORCAN DARCY

Oh my god. Ed, Edd n Eddy with Circus Baby? Weird. Oh wait, I got an idea from the game.

CILLIAN DARCY

Lorcan? I'm surprised to see you here.

LORCAN DARCY

Hey, Cillian. I didn't know you're here.

CILLIAN DARCY

Yeah. I was here right after watching Sideshow Bob rigged the mayor election.

LORCAN DARCY

So, uh. What am i supposed to do here?

CILLIAN DARCY

Well, this is the way to open the portal to your world.

LORCAN DARCY

I can go home? I can wake up?

CILLIAN DARCY

That's right. The only way to wake up is to go to two places that you've designed. Once we enter one of those two, we need to find a key. Only these two will open the portal to get you wake up.

LORCAN DARCY
Okay, where we gonna go?

CILLIAN DARCY
Well, we can go to one of two
places.

A GIRL (O.S.)
I'm coming as well. I can join you.

A girl walked to the boys. She has red hair and wear grey
blouse and green skirt.

CILLIAN DARCY
Lorcan, this is Lilly Darcy. My
sister.

LILLY DARCY
Nice to meet you, Lorcan.

LORCAN DARCY
You too. So, how do we find the
key?

EDD
Well, we can find the key card, but
with the help from your cousins.

Cillian and Lorcan sense their feelings. Lorcan turns around
and Three sets of eyes open in the shadows.

Lorcan GASPS. Lilly SPINS AROUND, on high alert. On a SHOCKED
Cillian, Lorcan, and Lilly.

EDD (CONT'D)
You think you're the only people
who thought to come here?

Danny "Darkness" Darcy is a goth boy whose face is a skeleton
makeup, a goth figure who listen to heavy metal bands.

DANNY DARCY
Hey fellas.

LORCAN DARCY
I think I remember drawing him,
he's new to me.

CILLIAN DARCY
It's a long story.

DANNY DARCY

That's right. I'm a goth, a loner
and an outcast, so shut up and
behave.

Nathan "Nightmare" Darcy appeared, wearing a pink shirt and
shorts and a scarf. Lorcan laughs at him.

NATHAN DARCY

Hi fellas, OMG. It's so good to see
you.

DANNY DARCY

Shut up, Gaylord. Nobody cares
about you.

LORCAN DARCY

So, I drew a goth boy and a
homosexual. This is really weird.

Callie "Chaos" Darcy walks to them.

CALLIE DARCY

Yep, it CAN get weirder! I just
washed my hands because of my
bladder.

LORCAN DARCY

Oh my god...

CALLIE DARCY

No... it can't be.

LORCAN DARCY

I created you.

CALLIE DARCY (CONT'D)

You created me.

NATHAN/DANNY/CALLIE DARCY

CALLIE DARCY (CONT'D)

--BACK LIVE, as Lorcan interrupts--

LORCAN DARCY

Ok, Shut up!

Lorcan turns to Danny.

LORCAN DARCY (CONT'D)

So, uh, do you know how did I created you?

DANNY DARCY

Well, it's kind of a long story.

EXT. CUL DE SAC - DAY

LORCAN DARCY

Oh yeah.

CALLIE DARCY

And now, we can help you get home before Mrs Tweedy will get to the portal.

LORCAN DARCY

Mrs Tweedy? Mrs Melisha Tweedy? The main villain of DreamWorks' 4th full-length animated feature film *Chicken Run*, which is Aardman's 1st feature film?!

CILLIAN DARCY

That's the one.

LORCAN DARCY

Whatever happened to her?

CILLIAN DARCY

Mr. Tweedy pushes the heavy barn door down on his wife after he finally had enough of his wife's abuse.

LORCAN DARCY

Whoa. And?

CILLIAN DARCY

She teamed up with this mysterious entity known as Nemesis to rule two worlds. She work well with Eggman, making robot chickens to get revenge on the ones that cost her the original chicken factory - she'd also be a natural leader of sorts to stand-in for Headmaster.

LORCAN DARCY

Eggman?!

CILLIAN DARCY

Yeah. She also work well with another group, Boggis, Bunce and Bean from *Fantastic Mr Fox*.

LORCAN DARCY

Oh yeah.

CILLIAN DARCY

Nemesis also recruit Kent Mansley from the *Iron Giant*, Elmer Fudd from those *Looney Tunes* cartoons, Pinky and the Brain from *Animaniacs*, Mr. Burns from the *Simpsons*, Plankton from *Spongebob*.

LORCAN DARCY

So many villains.

CILLIAN DARCY

Yes.

LORCAN DARCY

Who else?

CILLIAN DARCY

Team Rocket from Pokemon. The Dark Masters from Digimon, Mandark from Dexter's Lab, Aku from Samurai Jack, Mewtwo from Pokemon and...

EDDY

My brother.

The Eds heard them talking and walked to them.

EDDY (CONT'D)

He's been a bully, abusive and a jerk.

EDD

And Johnny and Plank.

ED

Yeah, they've no longer Captain Melonhead and Splinter the Wonderwood and become supervillains known as The Gourd and Timber the Dark Shard.

EDDY

Together, they will exact revenge, on the entire Cul-de-Sac.

ED

With the Kankers on their side! We don't know the identity of Nemesis!

LORCAN DARCY

Oh man. So many villains so battle. It's like the Manson Family in this world. What are we going to do?

CALLIE DARCY

I have an idea! Me, Lorcan and The Eds are going to the one place to get the key. Chateau Marmont.

LORCAN DARCY

Wait a minute.

EDD

Amazing.

LORCAN DARCY

Whoa. How'd....?

CILLIAN DARCY

Whoa.

TOBY TREDWELL (O.S.)

Hey-- you in here, sis?

The heroes turn, and , and a teenage boy in a blue school blazer throws open the doors of the room and runs in.

MISTY TREDWELL

Toby.

TOBY TREDWELL

Check it out! I got you a birthday present!

MISTY TREDWELL

Thanks, but, uh, my birthday was three months ago.

(teasing)

You know that, right?

TOBY TREDWELL

Yeah, but I was away at school. So, I mean, better late than never, right?

Misty looks at her present; it's the locket she was looking at earlier, with a picture of mountains in it.

MISTY TREDWELL

It's beautiful, Toby, thank you!
I'll put a picture of you in it,
and wear it everywhere I go!

She slips it over her head, and shows off how it fits around her neck.

TOBY TREDWELL

Oh-- so hey, guess what! I was down by the pier, and I saw someone dueling, someone just like me!

MISTY TREDWELL

You mean someone with your powers?

TOBY TREDWELL

She's, like, really awesome. Her name is Akiza! She's with this really cool group that calls themselves the Arcadia Movement!

MISTY TREDWELL

I am not liking the sound of this.

TOBY TREDWELL

Why not? Why shouldn't I join up with people like me? People who'd understand and support me, as opposed to, like, mom and dad, who couldn't deal and just sent me away!

BETTY COOPER

Can I sit, Lorcan?

LORCAN DARCY

Go ahead.

Betty sits down and sees him drawing his dream that he's been having.

BETTY COOPER

So, tell me, Lorcan, what happened?
Why haven't you talking to us?

LORCAN DARCY

If I tell you, will you keep it a
secret?

BETTY COOPER

Yes.

LORCAN DARCY

Okay, a month ago, my step-father
forced me to enlist in Afghanistan.

BETTY COOPER

That's why?

LORCAN DARCY

Yeah, I woke up from my coma last
week. When I saw Lucy in a coma, I
blamed David, and myself.

BETTY COOPER

It's not your fault, Lorcan, you
just make mistakes.

LORCAN DARCY

I know, i'm such a jerk. I
shouldn't have broke up with Lucy.

BETTY COOPER

You're right, you just apologize.

LORCAN DARCY

You're right, look, I'm sorry for
ignoring you, guys. I promise i'll
make up to you. Will you ever
forgive me?

BETTY COOPER

Yeah. Let me tell you something
before you showed up. Have I tell
you the night of the semi-formal?

LORCAN DARCY

No, Tell me the aftermath , I got
class to go.

BETTY COOPER
 (chuckles)
 Okay, It was all started right
 AFTER the formal and Cheryl's
 party.

FADE TO:

EXT. BETTY'S HOUSE - NIGHT

This late, Archie's exhausted, but wired. As he starts up the walk to his house, Betty steps out from the shadows. She'd been waiting for

BETTY COOPER
 ...I'm not going to ask what you
 did with Veronica at Cheryl's --
 that was just a stupid party game -
 - but I'm asking you now, right
 now, if you love me, Archie?

ARCHIE ANDREWS
 Betty --

BETTY COOPER
 -- or, even like me? Just -- please
 tell me. Respect me, respect our
 friendship, enough to be honest
 with me.

ARCHIE ANDREWS
 I...

BETTY COOPER
 Or do I need to say it for you?

ARCHIE ANDREWS
 ...I...I'm so sorry, Betty, of
 course I love you, but...I can't
 give you the answer you want...

Betty's eyes are wet with tears, but she's pushing through.

BETTY COOPER
 ...why -- why can't you?

ARCHIE ANDREWS
 ...so many reasons...but the main
 one is...
 (shaking his head)
 ...you're so perfect, Betty, I'd
 never be good enough for you...
 (MORE)

ARCHIE ANDREWS (CONT'D)

*I've never been good enough for
you...*

*The two life-long friends look at each other -- hearts
breaking -- a truth between them finally spoken aloud...*

FADE TO:

INT. RIVERDALE HIGH - DAY

LORCAN DARCY

What?! He's not good enough for
you?!

BETTY COOPER

That's right.

LORCAN DARCY

I'm gonna give that I'm going to
give that son on a bitch, a piece
of my mind.

BETTY COOPER

Lorcan, calm down.

LORCAN DARCY

Sorry. I had this weirdest dream
while I was in a coma.

BETTY COOPER

Really? What is it?

Lorcan shows her the sketchbook and the drawing is the same
as his dream. A world where cartoons, comic books and video
game characters live together.

LORCAN DARCY

All i remember was Jamie Brennan
appeared in my dream.

BETTY COOPER

Who's Jamie?

LORCAN DARCY

My former best friend. We both have
a crush on Lucy, years ago.

BETTY COOPER

What? You two were love rivals?

LORCAN DARCY

Yep. We asked Lucy who should be
with, and she chose me.

BETTY COOPER

Wow.

LORCAN DARCY

Uh-huh.

Lorcan hears some noises coming from outside. Archie, Veronica, Jughead and Kevin hears the noises as well when they walked in. Cheryl, Josie and Reggie hear it as well.

ARCHIE ANDREWS

Did you guys hear it?

LORCAN DARCY

Yeah, it's coming from outside.

They looked outside of the window and sees the Headmaster, the Mason family and Montgomery has joining forces to kill Lorcan. The students are marching to hunt him down.

VERONICA LODGE

What's happening?

LORCAN DARCY

The Headmaster, he teamed up with my enemies.

ARCHIE ANDREWS

What's going on?

LORCAN DARCY

The Mason Family are using everyone as recruits.

JUGHEAD JONES

And the serpents?

LORCAN DARCY

The same.

Toni Topez arrived in and closed the door.

TONI TOPEZ

What's going on, outside?

LORCAN DARCY

It's must be all of Jamie's plan. I can explain everything.

KEVIN KELLER

Lorcan, is that your siblings outside with your uncle?

LORCAN DARCY

What?!

Lorcan looked outside and Kevin was right. His siblings are with Montgomery and is shocked.

LORCAN DARCY (CONT'D)

No. No. No.

JOSIE MCCOY

Why are they glowing?

LORCAN DARCY

Glowing?

Lorcan sees the eyes glowing and Max's left arm turn into a cannon and fires at them.

REGGIE MANTLE

Robots?!

DR. ROBOTNIK (O.S.)

That's right.

LORCAN DARCY

Huh?

They sees Robotnik appearing in the Egg Mobile to confront them.

LORCAN DARCY (CONT'D)

A talking egg.

DR. ROBOTNIK

Silence! I am Dr. Robotnik, the greatest scientific genius in the world!

LORCAN DARCY

What do you want, Eggman?

DR. ROBOTNIK

Your book.

LORCAN DARCY

What?

DR. ROBOTNIK

Your book is the key to my world and yours.

LORCAN DARCY

What?

DR. ROBOTNIK

You don't remember! Your book is the key of Jamie's master plan.

LORCAN DARCY

What? His master plan?

DR. ROBOTNIK

That's right. He's going to fuse two worlds into one, so he can be God. It's a perfect plot for revenge on you, and guess what, Lucy's not your girlfriend anymore, she's Jamie's now.

Everyone is shocked that Jamie got his revenge on Lorcan by have Lucy to himself and turned her against him.

LORCAN DARCY

He did it... He won.

VERONICA LODGE

So, it's true?

LORCAN DARCY

Yeah.

CHERYL BLOSSOM

And you didn't tell us about it?

LORCAN DARCY

Why the hell did you think we start dating -- Nevermind!

(to Eggman)

I'm not giving you the book. And instead, take this!

Lorcan summons Bullet Bill and fire at the Egg Mobile into the horizon.

DR. ROBOTNIK

Why meeeeeeee?!

His friends are impressed of that.

ARCHIE ANDREWS

How'd you do that?

LORCAN DARCY

Don't asked. Do you guys know who's that guy who's working with the Masons and my uncle?

KEVIN KELLER

Yeah, he's like Kevin Spacey.

LORCAN DARCY

That's the Headmaster. He's the Headmaster of my old school, I left when I was fourteen because he sexual abused me.

Everyone's shocked about what he just said. Just then, the Rebels sees Lorcan and walked in.

JAKE THOMPSON

Lorcan, buddy! We're happy that you woken up. You're our best pal, and we'd like you to be back in the group.

LORCAN DARCY

Really? What about the amp I broke?

KYLE PIMIENTO

Well, that's the thing. We decided we'd rather be lousy with you than great without you.

TESS AMBERSON

Yeah, when we heard that you're in a coma, we felt sorry for kicking you out.

ANYA DIAZ

Will you come and play the wedding with us?

LORCAN DARCY

No.

JAKE THOMPSON

You're welcome. I think -- Wait, did you say no?

LORCAN DARCY

Yeah, that's right. What are you, deaf and stupid? I said no!

The Rebels are shocked that Lorcan declined their offer to re-join the group.

JAKE THOMPSON

Nobody -- ever -- says no to us!

Jake turns into a extremely strong, heavy and muscular. He is completely bald and has fair skin and brown eyes.

He wears a black tuxedo, a white shirt, a black bow tie, white gloves, and black shoes. He also has a red rose on his tuxedo.

LORCAN DARCY
Holy balls, he's turned into Max
from Cats Don't Dance. Bring it on!

Jake reveals 4 turrets popping out from the columns of the wall and were aiming directly at him.

LORCAN DARCY (CONT'D)
For me? Awww you shouldn't have!

Thanks to magnetically polarized armor plating, none of the heavy hitting rounds from the turrets were barely effecting Lorcan, methodically walking towards Jake's desk. Long before the bulletproof armor wore off, he connected two web lines to the turrets aside from him.

No effort placed, he rips them out from two of the four columns holding the room in place. Flinging them around carelessly like a pair of nunchucks, Lorcan just slams them again and again before tossing them straight at Jake.

First one creates a giant dent in the barrier

Second one shattered it completely, rendering Jake free and understandably angry

JAKE THOMPSON
HOW is this happening?!

LORCAN DARCY
What's wrong, Jake? You seem angry?

JAKE THOMPSON
I will DESTROY you!

LORCAN DARCY
(to his friends)
Go, I'll meet you with you.

ARCHIE ANDREWS
Okay, Lorcan.

Archie and the gang run out of the classroom along with Kyle and Anya. Jake angrily running up to his desk and absolutely smashing it to pieces before flipping the debris at Lorcan which he dodges with ease.

To him, it became second nature.

Charging forward, he hits nothing but the empty wall column since Lorcan moved out of the way. He comes hammering down with basic punches and a roundhouse, none of which stun Jake in the slightest. Uppercutting him with both his feet, Lorcan yanks himself down only for Fisk to grab the webs and clobber Lorcan down completely with both webs.

Still grabbing a hold of them both he decides to take him for a swing: a literal swing as he hurls the webslinger into the other columns including the last two with the turrets embedded into them.

LORCAN DARCY
(looking at his arms)
Since when I have powers like
Spider-Man?!

Lorcan barely catches Jake's fist coming down on him barely holding it up with the best of his ability. Giving himself an opening, Lorcan just gut punches Jake in the abdomen before kneeing him in the face and sliding underneath.

A roundhouse kick later, Jake was sent face first into the wall giving Lorcan a little breathing room to refill his web canisters

Taking the initiative JUST as Jake pulls himself out, he grabs the web yanking Lorcan forward and hits him with a lariat knocking him inside out.

Finally making it to his feet, he's greeted by Jake stepping out from the rubble of the walls balling his fists and gritting his teeth. Time was being wasted and he needed to get out before anything else deters him from making that escape.

JAKE THOMPSON
You are EVERYTHING that is WRONG
with this town!

LORCAN DARCY
Yeah.....I was--about to say the
same about you.

JAKE THOMPSON
I'll teach you respect!

Jake charged at him again with Lorcan dodging again, he lunges at him like a pro wrestler doing an Irish Whip grabbing and smashing him to the wall and was about to pumple him on the floor but Lorcan upkicked him in the jaw flipping over his bald head Jake turned around and Lorcan threw a web grenade at him.

Jake lifted him up like Bane to Batman only he slammed him on the flour and was about to lunge his fists down but Lorcan dodged them and the glassed-flour broke and both fell to the bottom still fighting Lorcan swung both punches at his jaw they crashed through another glass flour they ended at the entrance hall.

In the next second, Lorcan shot web catching Jake which he was tied into again and hung upside down and Pete came down hanging upside down.

LORCAN DARCY
So? Shall we kiss now?

Kyle and Anya sees their fight and are amazed at it.

KYLE PIMIENTO
Dude, that was awesome?! This whole fight remind us the Spider-Man game you got for Christmas.

LORCAN DARCY
Huh, You're right. Are the others okay?

ANYA DIAZ
Yeah, they are alright.

LORCAN DARCY
Listen, why'd you want me to come back to the group?

KYLE PIMIENTO (V.O.)
Alright people. Let's start at the beginning one last time. My name is Kyle Pimiento.

INTERCUT WITH:

INT. KYLE'S ROOM - FLASHBACK

We intercut Kyle and Anya making out in a slightly different location than the earlier Green Goblin fight, but with identical shot language.

KYLE PIMIENTO (V.O.)
I'm the boyfriend of Anya Diaz for two years, And for all my life, Me and Lorcan have been best friends forever.
(then)
You guys know the rest.

QUICK FLASHES of 1) Kyle banging on a drum set, 2) Lorcan broke the amplifier that caused him booted out of the band, 3) The Rebels booed off the stage when the fans demand for Lorcan to come back, Kyle, regret, 4) Kyle WALKING DOWN THE STREET, FEELING SORRY FOR HIS FRIEND, hands in pockets, 5) Kyle sees Lorcan attacking his step-father and 6) Kyle tells Anya and Jake that Lorcan is still alive.

KYLE PIMIENTO (V.O.) (CONT'D)

I joined the band. Jake kicked Lorcan out of the band cause he broke the amp. We got booed off the stage during the battle of the bands cause they want Lorcan back. When I heard that he's in a coma, I feel sorry for him. When he woke up, I saw him attacking his step-father and blamed him for Lucy in the coma. A week later, I was talking to Anya and Jake that Lorcan is still alive and decided to welcome him back to the group.

LORCAN DARCY

What?! And Cheryl?

BETTY COOPER
Joining the farm to talk to her
brother.
